## NEWS GATHERED FROM SOUTHSIDE

Curious Settlement of Hindoo Case Does Not Mollify Mrs. Alli.

GARDEN PARTY TO-DAY

Lots Sold Yesterday for Delinquent Taxes—Corporation Court in Session.

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street.

Charges brought by Alli, the Hindoo, against Hari Chand and Mrs. Alli, wife of the complainant, were withdrawn before Mayor Maurice yesterday morning, and the case was adjourned outside of court. According to the agreement Alli and his wife are to become reconciled to such an extent as will admit of their living together in future "as brother and sister." Their conjugal relations, in other words, are to be superseded by a Platonic blessedness in accordance with certain customs said to prevail in India.

Mrs. Alli, however, when seen outside of court, was somewhat violent in her protestations against her husband, one of her mildest statements being that for eight years she had supported Alli, that the bulk of his property had been contributed through her work, and that as a recompense Alli had sold the roof over her head and deserted her, while penniless on the street.

"I have a little boy," said she, "his name is Frisco. He was born in the big city of the earthquake, and from that he took his name. Frisco is now four years old. All shall not have him. I will defend him with my life."

**Corporation Court Convenes.** The Corporation Court of Manchester was convened yesterday morning and the following cases were set for trial. Commonwealth against A. L. Hughes, felonious assault, to be tried to-day. Commonwealth against Myers, charged with forgery, to be tried to-morrow. Judge Clifton announced that on Thursday morning he would drive to Chesterfield Courthouse to close the June term of court.

**Funeral of Mr. Huber To-Day.** The funeral of Mr. Benjamin A. Huber, who died suddenly Sunday afternoon at his home here, will be held from Bainbridge Street Baptist Church this afternoon at 4 o'clock. Rev. Dr. E. V. Baldy officiating, assisted by Rev. C. Woodcock and Rev. Dr. Griffin. The burial will be in Mt. Carmel Cemetery. Mr. Huber leaves his widow and eight children: Bessie M., Benjamin D., Irene, Frank T., Mollie F., Earl E., Garland E. and Agnes C. L. Huber—also one sister and three brothers—Mrs. M. E. Hinnant, Messrs. J. A. D. E. and E. Huber, of New York City. He was reported last night to be seriously ill.

**Children's Garden Party.** A children's garden party will be held this afternoon between the hours of 4 and 6 o'clock at the home of Mrs. Alexander T. Paxson, No. 803 Decatur Street, and all Manchester children are invited. Four prizes will be awarded in certain guessing games. Good time will be guaranteed to all visitors. Refreshments will be on sale, and a nominal admission fee will be charged at the gate. All proceeds will go to the Manchester Kindergarten Association.

**Sale of Delinquent Lots.** About one hundred and fifty lots were cried at public auction in front of the Courthouse yesterday morning for delinquent taxes on real property. The lots were sold by the city.

**Clinely—Timberlake.** Mr. J. H. Clinely and Miss Eva Timberlake will be married Wednesday afternoon, July 10th, at the parlors of Rev. G. Otis Mead, in Richmond. The ceremony will take place at 3 o'clock. Miss Timberlake is the daughter of Mr. Edward L. Timberlake, of New Kent county, and resides in Richmond.

**Personals and Briefs.** No news has been received of the three negro convicts who escaped from camp at Drury's Bluff Saturday afternoon.

Mr. J. M. Hines and family, of West

Virginia, are visiting Mr. E. Lee Cobb, of Oak Grove. Judge Walter A. Watson, of the Chesterfield Court, is so far recovered from his attack of appendicitis that all danger of an operation is passed.

Miss Olive Fugate, of Drury's Bluff, is visiting her sister, Mrs. D. L. Toney, of Manchester. The pupils committee of Clifton Street Baptist Church, who recently extended a call to Rev. A. T. Howell, of Murfreesboro, N. C., have received word from Mr. Howell that he has their invitation under consideration, and will advise them definitely of his intentions in a few days. It is expected that Mr. Howell will accept.

It is currently reported here that Rev. J. A. Sullivan, pastor of the Oak Grove Baptist Church, is contemplating resigning from that pulpit, to accept a call in a different field. Rev. Mr. Sullivan is to-day assisting at a big revival being held at Rocky Mount, N. C.

An entertainment will be given under the auspices of St. Anthony's Aid Society in the public school building on Thursday night of this week, for the benefit of the Sacred Heart Church. The members of the "Lemon" Club will meet on Friday night at the home of W. F. Lamb, on Seventh Street.

## SHARP PASSAGES OVER MASSIE BILL

(Continued From First Page.)

Mr. Puller. "Then I say to you, sir, that your statement is absolutely untrue," sharply rejoined Colonel Massie. "I have made the same statement in a debate with you on a former occasion," declared Mr. Puller, "and you didn't deny it then."

"Well, I deny it now most emphatically," returned Colonel Massie promptly, "and I will defend it with my life."

**Order Restored.** The chairman rapped his gavel sharply and suggested that there should be no cross-firing or personalities indulged in by the candidates, and here the incident closed, and the meeting proceeded in order.

All the candidates were present, and all made speeches, and as they approached the brilliantly illuminated stand in an open field, they were greeted by a firing of skyrockets, devil-chasers, etc.

The meeting was under the auspices of the East End Improvement League, and was presided over by Mr. James V. Gentry. He announced at the close that another rally would be held in the city hall next Tuesday night. The list of candidates was called alphabetically, the senatorial aspirants coming first.

In the division of time, Mr. Blair got twenty minutes, because he would not have a chance to reply to his competitors, and the latter fifteen minutes each. The House candidates were allotted ten minutes each, and in all, this made nearly three hours.

**All for Reform.** All the candidates told what they would try to do if elected, and pleaded earnestly for the supporters of the newly acquired Richmond citizens. Some were born on Church Hill and others were sorry they were not, while still others pointed allegorically to the fact that their ancestors for generations back had slept beneath the sacred spot where Patrick Henry made his impassioned appeal for the liberty of his oppressed countrymen.

All favored good roads, better schools, the raising of the poll tax exemption and many other reforms, while nearly all declared for some better system of registering land titles.

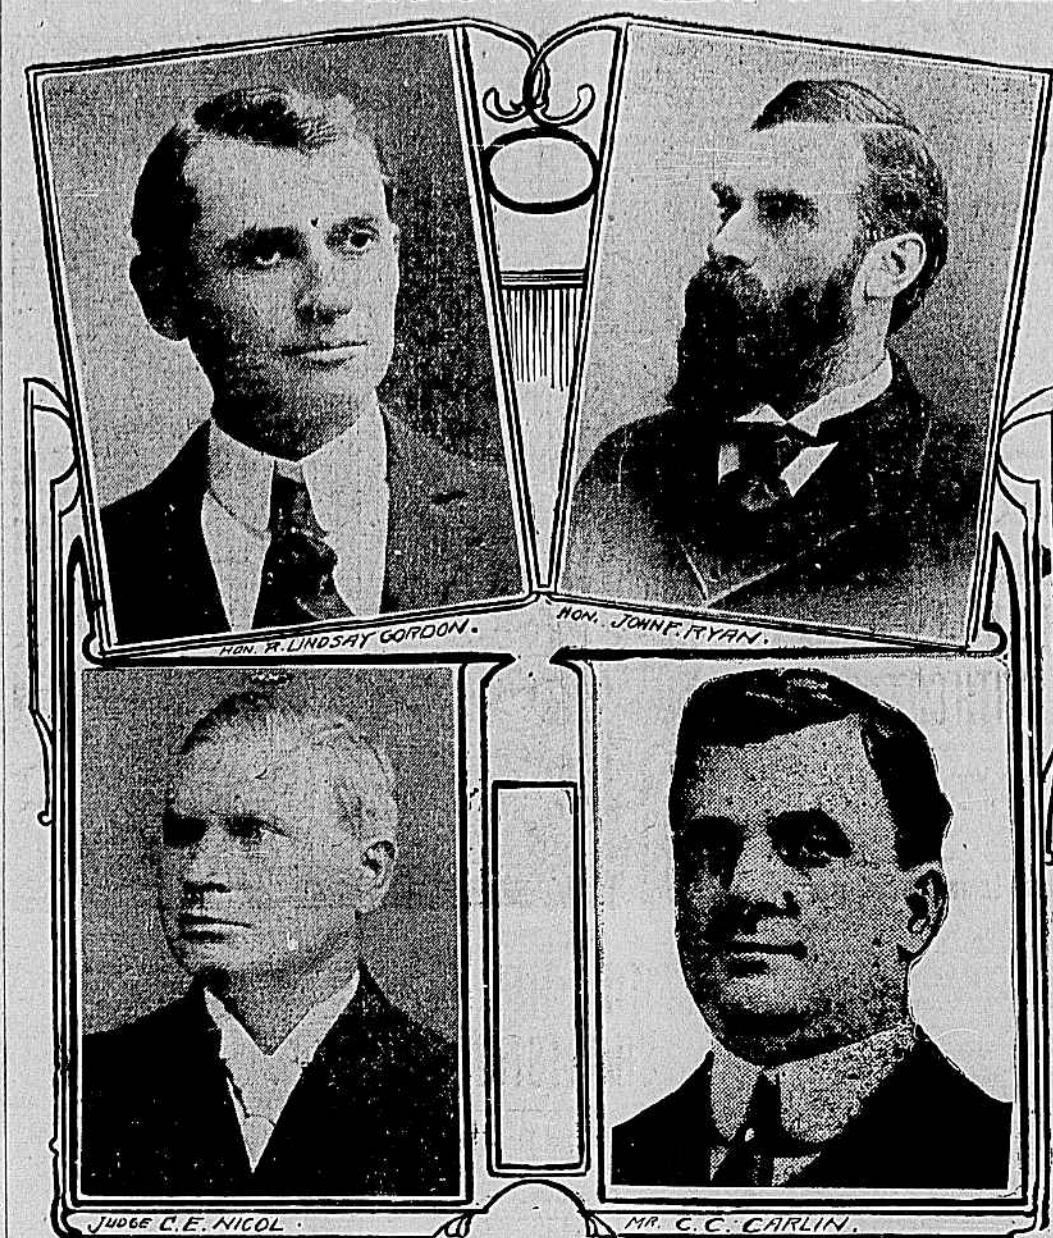

They were given close attention, and at times many of them were heartily applauded. "Give it to 'em, folks," said one of the speakers.

"You are all right, Harry," and "Hurrah for Curtis" were some of the salutations that came from the crowd, and but for the little "brush" between Mr. Puller and Colonel Massie, everything passed off harmoniously.

**"NEXT FRIENDS" WANT GOOD FAITH ESTABLISHED.** Apropos of the closing of the struggle, it should be stated that the Clay Ward Activists will not hold another meeting, the proposed rally for next Saturday night having been abandoned.

**CONCORD, N. H., June 17.**—Another petition in the already complicated litigation surrounding the suit in equity, brought by the "next friends" of Mrs. Mary Baker Eddy to secure an accounting of the property of the Christian Science leader, was filed in the Merrimack Superior Court here by counsel for the "next friends" to-day, asking that the question of their good faith be determined immediately, and in advance of all other proceedings.

## CANDIDATES WHO MAKE GREAT FIGHT TO-MORROW FOR SEAT IN CONGRESS

## WILL NOT RAISE COUNTY LEVY YET

Supervisors Decide They Can Get Through Year Without Increase in Taxation.

The Board of Supervisors of Henrico county met in called session yesterday morning at the courthouse. The question of raising the county levy was thoroughly discussed, and the final action of the board was a resolution not to make any change in the tax rate at present.

The county levy was fixed last year, and based on the assessment of county property before the annexation act went into effect. That act took into the board's consideration the value of the county property, and has the corresponding result of cutting down county revenues. The county expenses, however, were not materially reduced by the annexation, the great through boulevards of the county requiring as much as heretofore, and the salaries and expenses of county officers remaining practically the same as before.

**Will Make Change Later.** The county levy for next year will be fixed at a meeting on the fourth Monday in July, for taxes, which become due December 1st.

The board concluded that, in view of a small surplus in the treasury and the prospects of the collection of some outstanding claims, the county could get through this year without raising the levy. A careful review of conditions, however, will have to be made before the rate for next year is established.

**Grocery Store Burned.** The grocery store of Joseph W. Brauer, 141 Fairmount, was burned on Sunday morning about 8:30 o'clock, with a total loss estimated at not less than \$4,000.

The fire originated in the rear part of the store, on the ground floor of the building, the second story of which was occupied as living quarters by Mr. and Mrs. Brauer. The building was owned by B. P. Thompson, of Fairmount, and is damaged to the extent of about \$2,000, with partial insurance.

Mr. Brauer will make arrangements to open his store at some convenient place shortly. Until he can secure quarters, his family are stopping with his father-in-law, William H. Brauer, former treasurer of Henrico county.

**Negro Woman Killed.** The body of an old negro woman was found near the crossing of the Belt Line Railroad tracks with the Broad Street Road on Sunday morning by trainmen on the Richmond, Fredericksburg and Potomac Railroad passing that point. A fractured skull, a broken leg and other injuries showed death to have been practically instantaneous.

**Coroner Deas held an inquest at the county courthouse yesterday afternoon to investigate the matter. The jury brought in a verdict that the woman's death by injuries received from being struck by a locomotive. The verdict does not attach any blame to any one or to the railroad company.**

**CONCESSIONS OPEN.** Police appear at 11 o'clock Sunday and Close Them.

Several of the concessions at Idlewood Park, which were found open, were closed by police on Sunday. It was suspected that some of the places might try to sell goods on Sunday, and Captain Epps went out with several policemen to see that they were all closed for the day. None were seen to be actually doing business, and no reports or arrests were made.

**RESIGNS POSITION.** Rev. J. W. Mitchell, for several years secretary and treasurer of the Religious Herald Company, has resigned that position. He has bought the Baptist Banner of Parkersburg, W. Va., and is already there in charge of it. The Religious Herald has not yet announced his successor, but Dr. Pitt expects to make an appointment with him. One of the best known Baptists in Virginia, the Herald announces in its latest issue that the paper, under its recent reorganization, is now the property of forty of the most representative Baptists in the South. Rev. Dr. R. H. Pitt remains as editor-in-chief.

No Credence Put in Report That Aoki Will Be Recalled.

WASHINGTON, June 17.—State department officials and members of the diplomatic corps were much interested to-day in the statement in a Tokyo newspaper that the Hochi—that the Japanese government probably would recall Viscount Aoki, the Japanese Ambassador, and is considering the appointment of Baron Kaneko.

Mr. Aoki is popular in the district with the farming element. He has made but few speeches, but has worked constantly. There will be a full vote polled in the county, and it is usually about 1,700.

**STAFFORD AND KING GEORGE.**

Mr. Carlin has apparently made most vigorous fight in these counties. [Special to The Times-Dispatch.] FREDERICKSBURG, VA., June 17.—Great interest is felt here and throughout this section in the Eighth District primary Wednesday. C. C. Carlin, of Alexandria, has made the most active fight of any of the candidates in Stafford and King George counties, and it seems to be the general opinion that he will receive a majority in each county, with R. L. Gordon, of Loudoun, second, and John E. Ryan, of Loudoun, last.

## PITCHED WOMAN OUT OF CARRIAGE

Henry Jackson and Rosa Childs Go Driving Without Paying for Vehicle.

A. D. Price, the negro undertaker and liveryman, last night swore out a warrant against Henry Jackson, one of his drivers, and Rosa Childs, charging them with being disorderly on the street, with driving off in one of his carriages without his permission and with raising a disturbance "just outside his place. A warrant was sworn out for another negro, charging him with cursing and abusing the undertaker."

It seems that Rosa Childs wanted to hire the vehicle to take some of her friends driving. They went driving, but it is charged, neglected to pay the liveryman. It seems, too, that all were in jubilant spirits, and people heard them coming before they saw them. Down Seventeenth Street they went in great style, exciting much jealousy among the smart set of that neighborhood by their fine turnout. Things became more exciting, and several calls were sent to the police stations, asking that they be taken in if anybody could catch them. The crowd finally became so jolly that Jackson playfully tumbled Rosa out of the carriage twice. She lit on the middle of her face once, and it showed up beneath the lights of the Second Police Station about twice its usual size, the lineament much disfigured. The second time she alighted on her right ankle, which was also very much swollen.

There were four occupants of the carriage, and the police will try to round them all up for appearance in court this morning.

Formally Arraigned at Caldwell for Killing Nineteen Men.

CALDWELL, IDAHO, June 17.—Harry Orchard, the confessed murderer of former Governor Steunenberg and eighteen other men, was brought here to-day and taken before Judge Wood at the county courthouse. The wayward case at Boise was adjourned over to-day to enable Judge Wood to come to Caldwell and enter an order formally adjourning Orchard's trial for the present term of court.

The date of Orchard's trial will not be set until the cases against Haywood, Moser and Pettibone at Boise are disposed of. Orchard was taken back to the penitentiary at Boise this afternoon.

Orchard will be succeeded on the stand by James Kirwan, acting secretary of the Western Federation of Miners. Objection was made to the manner in which Kirwan was subpoenaed, but counsel for the defense waived the objection and stipulated that they would have him in attendance whenever desired.

## Wise Talks by "the Office Boy"

A fat drummer came in the store yesterday and talked with me for a few minutes; then he came out and where I was standing, near the private office, and gave me an awful black eye between the shoulders, and he said to me: "Cut it out, kid; if the boss sees you chewing gum, he'll fire you!" "Excuse me," says I; "that's not gum I am chewing, but Old Virginia tobacco." He said: "Worse and more of it. I can see your teeth before the dinner ring." "Gee, that fellow has me going. I thing I'll swear off all my habits and apply myself to work in the future. I've cut out the society stunt and loitering in front of penny vaudeville shows.
